CLUB NOTES

BAD SPELL CREATES RELEGATION THREAT

Since these programme Notes last appeared the tidings from Deepdale have been gloomy, due to only two points reward from the three holiday games, followed by two defeats in matches which North End could ill afford to lose. As a result the shadow of relegation hangs over Preston, though not as heavily as in some places.

Supporters have our assurance that every possible effort will be made by management and players to remove that threat as soon as possible during the four remaining matches, three of which are at Deepdale — to-day v. Southampton, Monday night v. Carlisle United, and on Saturday, May 7th, v. Cardiff City.

A visit to Derby County falls between the Carlisle and Cardiff fixtures. While our form at home has been extremely disappointing in League matches for a long time, as is clear from the fact that the last win against a Second Division side (Derby 2-0) goes back to December 4th, it ought to be possible for North End to get at least four points from these games — and four should mean safety.

The team's decline in effectiveness has been as mystifying to the club as to everyone else. It seems incredible that a side capable of gaining 22 points from the first 21 matches, without having anything resembling the best of luck, should have won only one of the next 17 and gained no more than 10 points.

No doubt some pre-occupation with six F.A. Cup matches which brought North End considerable success contributed to the disappointing results of certain matches,

but in the main our players have not taken a reasonable proportion of the many scoring chances created, and far too many soft goals have been conceded.

It is significant that no fewer than 30 goals went on the debit side in only six games — those at Portsmouth, Rotherham, Southampton, Coventry, Charlton and Bury, leaving only 36 spread over the remaining 32 Second Division matches.

Equally disturbing is the fact that 37 of our very modest total of 50 goals have been scored in 15 of 38 matches. One does not need to look much farther for the reasons for such a disquieting slump, although latterly anxiety and tension may have had something to do with it. We have lost matches which, on the play, ought not to have been lost, with that at Bury the most recent example.

In the first hour there was no indication whatever of what was about to occur. Two clear scoring chances for North End were not taken in the first half, which left Bury ahead by a gift goal. Another similar to it gave Bury the confidence they needed and we wasted another good opening. Then came those three goals in five minutes and our side finished demoralised and in disorder.

Alec Ashworth, having fought his way back to fitness, returned to the first team against Bolton and, to his credit, played with his customary enthusiasm. Everyone will wish this unlucky player a wholly successful come-back.

OUR VISITORS—*Southampton*

Our meetings with long-established Southampton, our attractive and always welcome visitors did not start until our relegation season of 1925-26. The chronicle is interesting with little between the teams. In 32 League games to date the points totals are 31 for North End and 31 for Southampton, who, in the aggregate, have scored three more goals. Following is a summary of the record :

	Home							Away						
	P.	*W.*	*D.*	*L.*	*F.*	*A.*	*Pts.*	*P.*	*W.*	*D.*	*L.*	*F.*	*A.*	*Pts.*
	15	8	4	3	25	16	20	16	3	5	8	19	31	11

Both teams were evenly matched until our fourth visit to The Dell, when Saints handed out a 4-0 thrashing. Two seasons later, the opening day of 1930-31 this was more than set straight by a 5-0 Preston triumph. Tom Scott scored two goals on his debut. Southampton also lost on their next three visits, 1-2, 1-3, 1-3,

Ted Harper achieved a memorable hat trick at The Dell in 1932 when we were losing 1-3 five minutes from full-time. The following season on that ground Holdcroft, Lowe and Fitton made their League debut for North End. We lost 0-1. In the home encounter Dick Rowley scored two of our three goals against his old club.

Memorable indeed was our next visit to Southampton. It was the last match of 1933-34, and a late goal by injured Jack Palethorpe was decisive . It put North End back in the First Division after nine years' absence and pipped Bolton Wanderers and Brentford on the post. George Stephenson did the hat trick in the home game.

OUR VISITORS—*continued*

Our hearts became set on Charlie Wayman after his demoralising display in a 3-0 Southampton win at Deepdale in December, 1949 (Willie Forbes' debut). The following season Charlie scored two for us in a good home win which preceded our promotion run of 20 League games without defeat.

Once more the Saints are fighting hard to get into the First Division for the first time. In six seasons since being promoted from Division III they have finished eighth, sixth, eleventh, fifth, fourth and are now fifth. A 3-2 home win against struggling Cardiff on Wednesday night greatly improved their chances.

A team which always had a flair for attacking, Southampton had the second highest goals total in Division II last season, with 83 compared with Derby's 84, and this season only Wolves (82) have scored more than the Saints' 79 in 37 games.

SOUTHAMPTON PLAYERS

Robert Campbell Forsyth (*Goalkeeper*). An experienced custodian who hails from Stirlingshire, signed for Southampton from Kilmarnock last December.

Stuart Williams (*right back*). Born Wrexham, signed for Saints from West Bromwich, September, 1962, after 12 years at the Hawthorns. Former Welsh skipper. One of the coolest defenders in the game. Seldom out of first team.

Denis Hollywood (*Left back*). A promising young Scot who belongs to Govan, but was developed by Southampton. Made his mark last season with 37 League appearances.

Ian White (*Right half*). Born at Glasgow, and has proved a useful acquisition from Leicester City in his efforts to earn a regular place in the side.

David Webb (*Centre half*). A London lad, born Stratford, and previously played for Leyton Orient, being signed by Saints as recently as March 9th this year.

Cliff Huxford (*Left half*). Born Stroud. Joined the Saints from Chelsea 1959. Tenacious and determined tackler, was captain during promotion season. Ever-present 1963-64 and missed only three games last term.

Terry Paine (*Outside right*). Born Winchester, this flying winger a product of Southampton's youth system. Brilliant two-footed player, can play on either wing and is an England player. Ever-present last season, scoring 14 goals).

Martin Chivers (*Inside right*). Local boy made good. After only one season of first team soccer was made an England Under-23 International. Product of the Saints' nursery, he signed as a professional September, 1962. He stands 6 ft. 2 ins.

Norman Dean (*Centre forward*). A newcomer to the side this season, was home-produced and at least has a famous name for a leader. Born at Corby.

Jimmy Melia (*Inside left*). Needs no introduction through his association with his native Liverpool. Signed from Wolves for the role of schemer in the attack.

John Sydenham (*Outside left*). Another product of the nursery. Debut 1956-57 season, and except when on National Service has played regularly. Southampton born, he has represented England several times at Under-23 level.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.
